## Project “*Educate a life*”

Prarambhika was founded in 1980 on the principle that every child has a keen and sharp ability to learn. Also, learning should add to the over-all development of the student. While academic knowledge is essential and revered, it is not the complete picture. It has to be backed by a confident personality, a good character and intelligent thought. School should be a safe and fun place for the students and teachers. Prarambhika is one such place where each student feels happy, welcome, challenged and satisfied at the end of the day.

In 2014, Prarambhika got affiliated to CBSE board and opened its third branch at Ahmedpur, Balua, Patna, which is in a remote rural area 22 kms away from Patna town center. Balua is surrounded by lots of villages and has a large student population going to government schools and a few private schools. The education at these schools, just like many government schools in India, leaves much to be desired.

At Prarambhika, true to our commitment we get teachers all the way from the city to come and teach these children in the rural area. In spite of the fact that our school fees is low, many able children cannot afford our quality education and therefore either drop out or go to other school where they waste their good talent and thereby their future.

We at Prarambhika urge you to help ‘educate a life’ by sponsoring a child through his/her school life at Prarambhika. We want your help in giving an able and keen child a chance in life. The total expenditure of a child on an annual basis is approximately Rs.13,200. Which is US \$200 per annum. This includes his/her tuition fees and term fees. This does not include books and uniform.

Prarambhika will hold an aptitude test on 5<sup>th</sup> March 2017. Based on the results, the top 30 students who are capable and show keen interest in academics will be eligible for this scholarship.

As Prarambhika is run by a trust therefore any donation/sponsorship given can be claimed as a “tax-free donation”. Donations can be made via a check favoring “**Prarambhika Educational Trust**” in India, a tax exempt I-80-G charitable trust, or in U.S. by making a check payable to “**Prarambhika Educational Trust**” a tax-exempt 501(c) (3) organization. You could mail the checks to:
